Cadastro de Pessoa Física

CPF

WHAT IS THIS?

CPF is the acronym for Physical Person Registration (**Cadastro de Pessoa Física**).

It is a registration made by the Federal Revenue Service (Receita Federal) of Brazil.

Currently, the CPF is just a registration number and a physical card is no longer issued.

It is essential to carry out some cases, such as buying a cell phone line (SIM Card), opening a bank account, requesting the Single Student Ticket, among others...

CPF

OUR RECOMMENDATION

As it is a very requested document for different situations and knowing the importance of obtaining a cell phone line (SIM Card) to access the internet as soon as you arrive in Brazil, we strongly recommend that students **provide the CPF before coming to Brazil.**
